EVANSVILLE DAY SCHOOL

Bring Your Own Device (BYOD)
Grades 3 - 12

Device Types:

Students will be expected to have a personal device to use each day. Chromebooks are the preferred type of laptop, but not required. Please review the information below to make sure your student has an appropriate device for school use.

Windows:
Memory: 4gb-8gb (preferably 8gb)
Storage: 128gb SSD or higher
Processor: Intel/AMD based processor

Chromebook
Memory: 4gb-8gb
Storage: 64gb eMMC or 128 SSD
Processor: Intel/AMD/MediaTek

MacBook
Any MacBook newer than 2020

Additional questions regarding devices may be addressed to Tyler McDowell, Director of IT at support@evansvilledayschool.org
