

## **Mathematics Teacher (6th - 12th grades)**

**Type: Full-time Faculty (10-month; reports to Upper Division Head)**

**Application Deadline: Until filled**

**Start Date: July 2025**

Evansville Day School (Day School), in partnership with parents, offers a student-centered, college preparatory program supported by a challenging and comprehensive curriculum that encourages each student from Junior Pre-Kindergarten through Grade 12 to strive for excellence in mind, body, and human spirit. EDS was founded in 1946 and remains the only independent school in the Southwest Indiana (tri-state) region. The school enrolls approximately 300 students and boasts a 40- acre wooded campus, an impressively diverse student body, and 100% four-year college placement.

As with all positions at Day School, faculty hold much more than a job. Educators enjoy being part of an intellectual, vibrant, and supportive learning community with myriad ways to engage students, families, and colleagues. The entire community is deeply involved in the life of Day School.

**Job Summary:** The Mathematics Department at Evansville Day School fosters deep conceptual understanding and problem-solving skills through a rigorous, mastery-based curriculum. From PK to Grade 7, we use Singapore Math with the Dimensions Math series, emphasizing visualization, number sense, and fluency. In Grades 8-12, we follow the Pre-AP and AP framework, preparing students for advanced coursework through inquiry-based instruction and real-world applications. Our approach equips students with the confidence and skills to excel in mathematics and beyond. The courses taught will depend on the expertise of the selected candidate. A successful teacher in this position understands the unique demands of working at an independent school, is passionate about the School's [Mission](#), and embraces its [Portrait of a Graduate](#).

### **Essential Duties and Responsibilities:**

- Teach 5 sections of 6th - 12th grade math courses (specific courses will vary based on the expertise of the selected candidate - must be able to teach through Algebra II; ability to teach through Precalculus is preferred).
- Collaborate with colleagues to design and implement an effective, engaging, and meaningful Mathematics scope and sequence that is vertically and horizontally aligned.
- Employ research-based and innovative instructional and assessment methods.
- Create a warm and well-structured learning environment with consistent routines and high expectations that encourages and supports intellectual risk-taking and growth.
- Provide timely individualized feedback to students.
- Communicate proactively with families.
- Serve as an advisor to students.
- Supervise students as assigned by Division Head.
- Contribute to the life of Day School by coaching and/or leading student clubs and activities.
- Be a visible presence at school events.
- Actively participate in the Mathematics department.
- Actively participate in faculty meetings and professional development.
- Model a commitment to lifelong learning and growth.
- Uphold Day School's Mission and core values.

Other duties may be assigned by the Head of School, Assistant Head of School, or Division Head.

**Skills and Qualifications:**

- Bachelor's degree; Master's degree, preferred.
- Experience teaching, preferred. Indiana Teaching License is not required.
- Knowledgeable about the developmental needs of adolescent students.
- Knowledgeable about mathematics instructional practices.
- Demonstrated ability to inspire students.
- Exceptional written and oral skills.
- Committed to collaboration and innovation.
- Committed to creating a welcoming learning environment for all students.
- Committed to growing in instructional and assessment practices.
- Passionate about student-centered instruction.
- Able to integrate technology into teaching and learning.
- Able to meet deadlines and balance competing priorities.

**Background:** All employees and volunteers must agree to a comprehensive background check.

**Application:** To apply, send a cover letter, resume, and three professional references to Carla Englebright, at [cenglebright@evansvilledayschool.org](mailto:cenglebright@evansvilledayschool.org). Please include "Math Teacher" in the subject line.
