

MERIT SCHOLARSHIPS

EDS's tuition rates reflect the exceptional value our families place on our unique, personalized, and challenging college-preparatory program. As an institution committed to diversity, inclusion, and accessibility, we will work with mission-appropriate families to lower financial barriers to enrollment through a robust merit scholarship program and need-based tuition reduction.

MERIT SCHOLARSHIP PROGRAM

Applicants in grades 6-12 may apply for one of our competitive merit scholarships and receive **up to 50% reduction in tuition**. Awards are determined by a holistic review of academic records, extra-curricular achievement, admission testing, and must include a written essay. Scholarships may be renewed annually.
