

EDS Primary School Dance Squad

We are very excited about the upcoming EDS basketball season! We are planning our first practice for **Thursday, September 27th, 2018**. We will hold practices on most Thursdays immediately after school from **3-4:15**. We generally have practices until the Holiday Break, or until we have mastered our dance routine. After the Holiday Break, we will meet to practice a half hour before our game time. The pom season generally runs from **November through February**. We perform at halftime of the JV games, and will perform at a University of Evansville game downtown at the Ford Center.

New dance squad family members will be required to pay admission at basketball games and the Ford Center performance. A uniform of black leggings, performance top, pom poms, bow and tennis shoes will need to be purchased for new members of the squad. Existing member families will be required to purchase a new uniform top, as well as pay for admission to games.

If your daughter would like to be a member of the EDS Dance Squad this season, please fill out the bottom portion of this paper and return to Mrs. Luttrull (3rd grade).

*One of the most important things about any group of people dancing together is formations. During our routine, the girls are spaced out in an aesthetically pleasing way. Not only that, but there are formation changes and the girls depend on those around them for placement/group work. If someone is missing from the formation, there will be a hole and the formation will be thrown off. In some parts of the dance, the girls may be doing different steps. Again, if people are missing it will throw off the balance of the group. It is imperative to keep these things in mind when making a commitment to the dance team. (We understand that there will be an occasional exception such as illness, etc.). We look forward to having an awesome season! Thank you ☺
