

WELCOME TO PARENTS WEB

WHAT IS PARENTS WEB?

RenWeb's ParentsWeb is a private and secure website for Evansville Day School families to access complete information specific to their child(ren). You can view grades, homework, official school documents, report cards, a full family and staff directory, and more.

HOW DO YOU ACCESS PARENTS WEB FOR THE FIRST TIME?

1. Open web browser, type renweb.com, or select the RenWeb icon link at the top right or bottom center at evansvilledayschool.org.
2. Type in EDS-IN for your school district code.
(EDS-IN must be in ALL CAPS!)
3. Type in your email address you provided to the school upon enrollment.
4. Click "Create New ParentsWeb Account"
5. You will be emailed a new password (to the email address you provided to the school upon enrollment.)
6. Return to renweb.com and click on Parent Login
(NOTE: do not click on Create New ParentsWeb Account)
7. Input the same login, along with the password you received via email.
8. You may change your username and password any time by clicking the Family Information tab and then Username/Password.
9. Should you not know your username and/or password, click on "Forgot Username/Password" from the login screen.
10. When finished using ParentsWeb, always click "Logout" button at the top left.

If you have any questions about accessing ParentsWeb, contact Shannon Dierlam at sdierlam@evansvilledayschool.org or (812) 476-3039.
